

REMARKS

Applicant respectfully requests that the Examiner consider the art cited in an Information Disclosure Statement (IDS) that was filed on August 31, 2004 and provide Applicant with an initialed copy of PTO Form 1449 as well as a supplemental Notice of Allowance.

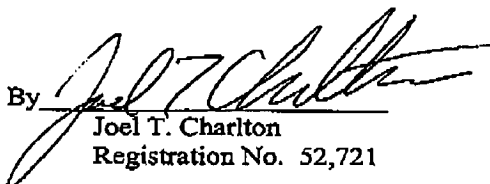

Regarding the Examiner's reasons for allowance, Applicant would like to clarify what appear to be a few typographical errors contained in the reasons for notice of allowance. It is noted that the word "multilayer" as claimed by Applicant was misspelled as "multiplayer" throughout the Examiner's comments. (See for example, page 4 of the reasons for allowance (hereinafter "Reasons"). Furthermore, with regards to the reasons for Claim 1, the language "used for transistors" is used by the Examiner to describe the second conductive material, when this language is not used in the claim. (Reasons, Page 3, line 4) Similarly, with regards to Claim 18, the language "used for said thin film transistors" is used by the Examiner to describe the second conductive material, when this language is not used in the claim.

If there are any additional charges with respect to this correspondence or otherwise, please charge them to Deposit Account No. 06-1130.

Respectfully submitted,
